KATZ

Entresol, café

Founded in 2006 by Dmitry Holomyov and Stan Katz — both outstanding professionals in their own field — they made an ultimate creative-business tandem.

Katz has a 10-year heritage of delivering exceptional results within the luxury real estate sector and our wealth of experience continues to grow through prime residential projects and select hospitality or retail projects.

**MORE THAN 50
COMPLETED PROJECTS
AROUND THE WORLD**

Breakthrough

Katz became globally known in 2006 after having created a series of eye-catching and innovative furniture pieces like the famous Console Bookshelf, Bat Mirror, 4 Vase Cabinet and others. Instantly distributed in world media and in the world's most popular design blogs, some of these designs are being highly evaluated and installed up to now in the world's most prestigious locations.

Brand Vision

Known for augmenting a classic style with an unexpected modern appearance, Katz creates outstanding interiors for intellectual individuals who understand what a perfect design is and who strive for excellence in any point of their life. Katz's philosophy is to deliver thought-provoking, yet ultra-functional ideas in creating inspiring splendours of living areas and commercial spots.

Our People

Our diverse and multi-disciplined team are the DNA of Katz that gives us the expertise to push boundaries for clients who want to achieve the truly extraordinary. As a multidisciplinary studio of Interior Designers, Architects, Constructors and Project Managers — we all share a passion for design excellence, impeccable attention to detail, unsurpassed service and professional integrity.
